

ORDER FORM FOR THE TELECOM SERVICES OF THE 2003 ICE HOCKEY WORLD CHAMPIONSHIPS

HOW TO ORDER

1. Print out the price list
2. Go to your national telecommunication operator and place the order to them according to your needs.
3. National operators will then forward the order to Sonera's contact person mentioned below.

In addition to the normal order information the order must include the following information:

- Town (Helsinki, Turku, Tampere) where the connection/service is needed
 - Place in the arena (important): a) Press center, b) Other, please specify
4. Orders will be invoiced after the Championship from the national operators who will then send the invoice to the end customer. In those cases when the national operators refuse to order these services on behalf of the end customer, orders can exceptionally be placed directly to Sonera. Invoice will be sent directly to the end customer after the Championship.
